EM-10T TOPICS POR 2016

A FEBRUARY 2016

#### 2016 HOT TOPICS

- Headquarters Marine Corps (HQMC) Environmental Compliance Evaluation (ECE).
- 1st Half 2016 Site Visits and Assists.
- Storm Water Pollution Prevention Plan (SWPPP).
- Environmental Management Systems (EMS)
- MARADMIN 032/16
- Strike Hold Lubricant
- AUL/AHML
- 2<sup>nd</sup> Half 2016 ECE Cycle

## **HQMC ECE**

- Taking place starting 14 March 2016.
- Conducted by contractors hired by HQMC.
- Primarily focused on installation programs.
- May require site visits.
- Inspectors will be escorted by EMD personnel.
- Notifications will be sent to ECCs and ECOs as early as possible.
- Larger units are usually focus of inspection.
- If a deficiency is identified, EMD personnel will follow up to assist in correcting deficiency.

### 1<sup>ST</sup> HALF 16 SITE VISITS AND ASSISTS

- There will be no 1<sup>st</sup> Half 16 ECEs.
- EMD will be conducting site visits to identify and issues and help correct prior to HQMC 's ECE.
- Inspections will be conducted on short notice, the focus is not normal administration but environmental programs.
- EMD will assist in developing corrective actions.
- While no official report will be sent, a write up of the visit will be sent to ECC and ECO with a copy saved to official files.
- A unit may be visited more than once.
- Bring up any issues you may be having to inspector.

#### **SWPPP**

- Units responsibility to prevent impacts to surface water.
- This is not a new inspection.
- Need to look at unit area from fence line to fence line, including:
  - Storm Water Inlets
  - Solid waste storage areas
  - ASTs
  - OWS
  - Vehicle/Equipment storage
  - Any other area that could potentially impact surface water from storm water run off.
- Clean up immediately and report if necessary.

# **MARADMIN** 032/16

- Outlines how HMs are to be managed.
- Continue to follow base orders and ESOPs until instructed to do otherwise as our current policies fall in line with the MARADMIN.

# STRIKE HOLD LUBRICANT

- Banned substance, turn-in if found.
- Only purchase those lubricants on the AHML.

# AHML/AUL

- Check to make sure you are looking at the most current AHML when purchasing HMs.
- Ensure the individual(s) responsible for purchasing come to you with any HMs purchases.
- Continue to build AULs, if assistance is needed contact your ECC.

## 2<sup>ND</sup> HALF 2016 ECE CYCLE

- Request has been sent for dates.
- Letter will be generated and sent to ECC for distribution.
- Will be scheduling follow-up, if needed, during out brief to assist with correct identified deficiencies.
